On behalf of the Navy, Resolution is submitting the attached validated data. As per discussions between the Navy and NYSDEC, NYSDEC requested that the Navy submit the validated Form 1s as soon as the information is available. These Form 1's are associated with the Navy's June 2016 Quarterly groundwater sampling, and the BPOW5 series wells sampled by Arcadis in August 2016 on behalf of the Navy.

Regards,

Brian
